

Internet Safety & Security Workshop

Financial fraud often targets the elderly. The internet is the perfect playground for scammers trying to steal your personal information and cash.

South Okanagan
Seniors Wellness Society

When you're online do you sometimes question if the person or business contacting you is legitimate? This FREE two-session course empowers participants to recognize online scams before they happen, as well as teaching practical steps to staying safe online.

Learn how to:

- Recognize a potential scam
- Validate or ensure who contacting you is legitimate
- Avoid becoming a victim of fraud

What to bring:

Nothing! Just bring your questions!

We will provide pens and paper so you can take notes if you wish!
